The Heartbeat of Christmas

BY: REV TONY YEO AND REV TAN KAY KIONG, SENIOR PASTORS

And the angel said to them, "Fear not, for behold, I bring you good news of great joy that will be for all the people. For unto you is born this day in the city of David a Savior, who is Christ the Lord."

– Luke 2:10-11 (ESV)

It's Christmas time again!

The modern world looks at Christmas and fills it with clutter, noise and busyness. The clutter can blind us from seeing the truth. The noise can keep us from hearing the truth. And the pace can keep us from finding the truth.

God's gift came in such a simple, quiet manner, and in such a lowly place. The crowds and busyness were at the inn in Bethlehem, not at the stable where Christ was born. Who would expect something important to happen there? At the manger there were no flashing lights to get the crowd's attention, no signages to attract the shoppers and no bands to stir up the passersby's excitement. But on a peaceful hillside out of town, the heavens opened. A few humble shepherds with hearts ready to listen heard the most remarkable message ever been spoken.

We believe God hasn't changed.

Today He is still drawing us back

to the quiet waters of salvation, to the lowly place of worship, to the peace of His presence, to the simplicity of the Cross, to the beauty of His face and to the best gift Love could ever give — God's only begotten Son.

In this season of giving we are reminded that our true gift is the gift of God's grace. This is not the sort of gift to hide in the closet like an ill-fitting sweater, nor put on a shelf and dust off from time to time. We live in a world that longs to hear a word of grace and to know a God who is Immanuel, God-with-us. The gift of God's grace is meant to be passed on!

Christmas is our time to celebrate the birth of the Lord Jesus Christ and remember His infinite love for the world. That's what our Christmas musical "Happily Ever After" on 25 December is going to be about. Start praying and inviting your friends, family, relatives, colleagues that they may hear, believe and receive the gift of Christ this Christmas.

May this coming Christmas lead us to a fresh grasp and a deep appreciation of God's amazing gift to the world — He broke into human history to offer us the gift of salvation.

LAST WEEK'S SERMON SUMMARY

Taking Enemy Fire

Scripture: **EPHESIANS 6:16** // Sermon: **PS LEE DA-WIN**

Introduction

We are at war! And we do not wrestle against flesh and blood, but against spiritual powers (Eph 6:12–13, ESV). None of us are excused. From the moment we believed in Jesus, we have been enlisted into the Lord's army. The question is not whether you are in the battle or not, but whether you're able to withstand the attacks of the enemy. The enemy's attacks are ferocious and unrelenting. So how then, is the soldier of Christ, embroiled in the thick of spiritual warfare, to survive the enemy's ferocious and unrelenting attacks?

A. **Take Up the Shield of Faith**

"In all circumstances take up the shield of faith..." (v.16a, ESV)

Faith is the assurance of things hoped for, the conviction of things not seen... And without faith it is impossible to please God (Heb 11:1,6). We are called to walk by faith, not by sight (2 Cor 5:7).

Paul uses the Greek word *thureos* for shield. This word sounds like the Greek word for door. It is a full-body shield and protects from head to toe, like a door. When we take up the shield of faith, it protects us fully, like closing the door to the enemy. It makes us impenetrable to the enemy's attack.

But a single shield only gives frontal protection. The *thureos* shield is also used to form a turtle shell of protection when soldiers close ranks and stand shoulder-to-shoulder. This protects them from arrows coming from all directions. This is a picture of soldiers of Christ exercising their unity, standing together in Christian community.

B. **Put Out the Darts of Fire**

"...with which you can extinguish all the flaming darts of the evil one." (v.16b, ESV)

The enemy's attacks are doubly lethal — not just arrows but flaming arrows. And as soldiers of Christ we will be shot at. We are in the line of fire! But the *thureos* shield is lined with tanned animal skin and soaked in water, designed to be fireproof. It therefore enables the soldier of Christ to extinguish the flaming darts of the enemy!

The enemy's attacks can be overt. Why does it happen even when we exercise faith? God has allowed it, having given the Divine Permission; and God limits it, having defined the Divine Perimeter. God is ultimately still in control!

Attacks are also covert. The enemy uses doubts, distractions, discouragement, deception and other insidious means to get into our minds. We extinguish them by recognising them, refusing them (in Jesus' name), and refuting them (with the Scripture).

Conclusion

Who is the object of our faith? It is God (Gen 15:1; Ps 119:114). God Himself is our shield! We don't fight for victory; we fight from victory because of the finished work of Christ at Calvary. When Christ died and rose from the dead, He has already totally defeated Satan. Taking up the shield of faith protects us **only because** of the finished work of Christ! Putting on the whole armour of God enables us to stand firm against the enemy **only because** of Christ!
