## Give to a Need, Gift to a Life

FELIX WONG, NEW LIFE COMMUNITY SERVICES, DEPUTY EXECUTIVE DIRECTOR

Twenty years ago, I went on a four-hour hike from MacRitchie to Bukit Timah Hill with my wife, Ps Sharon. Shortly after two hours, we ran out of water! We were so thirsty and almost dehydrated. At that moment, water became my greatest need for the very first time in my life.

How about our community, what do you think are its greatest needs? What can we do to meet these needs?

Eighteen years ago, when Covenant EFC moved to Bukit Panjang, New Life Community Services was birthed with a clear calling to be the social arm of the church to love the community for Christ. New Life bridges the church to the community and vice versa. It is our prayer that through New Life, many lives from the community will eventually cross the bridge and experience the love of Christ in their lives.

As we serve the community through several platforms such as Steady Readers, children and youth mentoring programmes,

financial assistance, counselling and preschool education, our greatest desire is to demonstrate the love of Jesus and to make Him known!

As we celebrate New Life Friends' Day today, we would like to thank all of you for partnering with us to impact the community, whether through your time, talents or treasures. You make the vision of loving the community for Christ possible. At our Sunday worship services today, we will hear testimonies from some of Covenanters who have served the community through New Life. We hope that you'll be inspired by their sharing.

May we all join together in prayer for God to enlarge our hearts to be the church without walls. Let's rise up and take our place to impact our community! Do prayerfully consider some of the opportunities by which you can love the community for Christ as God enlarges our heart for our community.

Let's all *Give to a Need* and be a *Gift to a Life!*

# Last Week's Sermon Summary

## Courageous Faith

SCRIPTURE: EXODUS 2:1-10 • SERMON: PS VALERIE CHAN

### Introduction

“Being a mother isn't for the faint hearted.”

How I would describe my motherhood journey – **Discipleship** (Lk 9:23)

We can have courageous faith in our motherhood journey...

#### A. When We SEE as God Sees (vv.1-2)

1. Jochebed, Moses' mother, had the courage to hide the baby for three months from the authority because she saw that he was beautiful from God's perspective (Acts 7:20, Heb 11:23).
2. Example of a Courageous Mother: Mum's devotion to her daughter with neuromuscular disease (Straits Times on 7 May 2018)
3. Question to the mothers today: Do you want to see what God sees in your children?

#### B. When We SURRENDER to God What We Cannot See (vv.3-10)

1. First Surrender of Moses to God (vv.3b-4)  
After she put the basket unto the Nile River, she has to let go, and let God take over!  
Through God's sovereign arrangement, Pharaoh's daughter came to the Nile River to bathe at that time. She was the one who saw the basket and the baby inside. God allowed the Pharaoh's daughter to see even though Jochebed couldn't see the basket anymore. Through Jochebed's surrender, we saw how:
  - a. Moses was protected through Pharaoh's daughter from being killed (vv.5-6)
  - b. Moses was later given back to Jochebed to be nursed (vv.7-9)
2. Second Surrender of Moses to God (v.10)  
As the child grew older, Jochebed brought him to Pharaoh's daughter. Even though she may have felt like she had lost a son into another family and culture, nevertheless this loss was totally in God's sovereign will and purpose because some 80 years later, Moses got to fulfill God's purpose — he became the deliverer of the millions of Hebrews in Egypt! His name was made great! Even though Jochebed didn't get to see this being fulfilled.
3. Question to the mothers: Are you willing to surrender your children's future to God even when you cannot see?  
Psalm 100:3-5 – We have a sovereign God who knows all things and is always good.
