

What if happily ever after never existed?

“Happily ever after” is one familiar quote that brings smiles to children’s faces.

Translated into adult dreams, it means to have a smooth path in life.

To get into the best school, get the best job, and then marry the perfect guy or girl.

But reality strikes with unmet expectations, unfulfilled dreams and utter disappointments.

Then comes the question:

What if happily ever after doesn’t exist?

What if happily ever after doesn’t turn out to be the ending you wanted?

What if there is more than happily ever after?

PROGRAMME HIGHLIGHTS

WORSHIP

Join us for a time of worship as we sing some familiar carols and praises to God.

MUSICAL

What if happily ever after never existed?
Find out who can truly satisfy our residual unfulfilled desires in this journey of life.

MESSAGE

Dr Andrew Goh
John 4: 4-10

*Today's second offering will be contributed to The Hiding Place.
There will be Christmas lunch at the foyer after 8.30am and 10.30am service.*
