## **Message from Covenant Church Board Regarding postponement of Annual General Meeting**

1. In light of the latest government announcement on 24 Mar 2020 on safe distancing measures which include, limiting gatherings outside work and school up to 10 persons, CEFC's AGM scheduled on 29 Mar 2020 will be postponed until such time when conducting an AGM is feasible.
2. Due to the current unprecedented and exceptional circumstances, the Church Board and Council of Elders (in consultation with the Senior Pastor's Office) have jointly decided to extend the terms of current Board members whose terms of office will be expiring this March, until such time when an AGM may be conducted.

Thank you for your patience and kind understanding as we stand together as a body of Christ and make the necessary adjustments to carry on the work of God and to support the national effort to arrest the spread of COVID-19.
